- Adds capacity & larger space to manage output

Reports Printer

- Produces a variety of statistics reports for monitoring machine performance

High-Speed Inkjet Printer

- Prints a variety of custom strings, date & time, sequential numbering & ID Tag barcodes
- Prints up to 4 lines

OMATION MODEL 306s™

Coupled with enhanced sorting capabilities, the Model 306s is a perfect fit for a wide variety of applications. Envelopes can be output to two locations based on programmable criteria such as thickness, length, and height. With its ability to identify "primary mail" from "secondary mail," the Model 306s helps to ensure maximum productivity by opening and sorting envelopes in a single pass.

Sort Wizard

- Intuitive & easy-to-use operator interface for job setup
